

# 5 Steps to a Bad Decision

or:

“How to NOT find God’s will for our journey”

Acts ch. 27

1-Ignoring God’s warning

2-Impatience

3-Voting (majority opinion)

4-Circumstantial evidence (often unstable and unreliable all by itself  
and subject to change at any moment)

5-Seeking the most comfortable way (vs. what God has already said)
