LUKE 8-C "7 THINGS SATAN & HIS DEMONS KNOW ABOUT JESUS"

from:	Lk8	/ Mt 8	/ Mk 4

			~		_	
1 - H	e is	t.he	Son	of God	(779	281

---the last thing we heard the disciples say was: "who IS this?" [they weren't sure]

2 - He is more powerful than they are

---they 'begged' Him to not beat them up

3 - He will keep His promises (Mk 4: "swear/promise that you won't torture us")

- ---they thought they'd be safe if He promised He wouldn't hurt them
- ---a lot of the time WE don't even believe this!

4 - He is merciful

---they begged Him for mercy repeatedly

5 - He will ultimately judge evil permanently

---Mt 8: "begged Him not to cast them into the Abyss prematurely"

("before the appointed time")

---they know their destiny, yet still fight against His Kingdom...AMAZING!

6 - They are subject to His authority

- ---vs. 32: they asked for His permission to enter the herd of pigs
- ---like Satan had to ask for God's permission to touch Job

7 - They recognize Him by His Presence [by sight] (vs. 28) [still true!]

- ---all through the Gospels...and here in a place Jesus <u>had never visited</u>
- ---this may explain why you meet with such hostility in certain places---you have Him living in you
